Response to Amendment

This Office Action is in response to Amendment filed October 24, 2004.

Claims 1-87 are allowed.

Terminal Disclaimer

The terminal disclaimer filed on October 24, 2003 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent No. 6,459,259 has been reviewed and is accepted. The terminal disclaimer has been recorded.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior arts of record taken alone or in combination fail to teach, anticipate, suggest or render obvious the claimed invention, regarding independent Claims 1, 22, 44 and 65, of a method and a system for testing devices carried by two test trays, wherein each tray carries one device, including a first transport path for transporting the first tray to a first test position, a second transport path for transporting the second tray to a second test position, a tester for testing one device on the first tray at the first test position, and for testing one device on the second tray at the second test position.

Consequently, independent claims 1, 22, 44 and 65 are allowed over the prior arts of record. Claims 2-21, 23-43, 45-64 and 66-87 are directly or indirectly depended upon claims 1, 2, 44 and 65 and therefore are also allowable.

Art Unit: 2133

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
